7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 TROY COACHMAN,

11 Plaintiff,

12 v.

13 SEATTLE AUTO MANAGEMENT, INC.
14 dba MERCEDES BENZ OF SEATTLE and
15 AL MONJAZEB,

16 Defendants.

CASE NO. 17-187RSM

ORDER DENYING DEFENDANTS'
MOTION TO FILE OVER-LENGTH
MOTION

17
18 This matter is before the Court on Defendants' Motion to File Over-Length Motion. Dkt.
19 #100. Under the Court's Local Civil Rules, Defendants' anticipated motion for a new trial is
20 limited to 12 pages. LCR 7(e)(4). Defendants seek leave to file a 16-page motion. Dkt. #100
21 at 1. Defendants believe an over-length motion is justified in this case as there was a seven day
22 jury trial with numerous witnesses and exhibits. *Id.* at 1–2.

24 Motions for over-length briefs are disfavored under the Local Civil Rules: "Motions
25 seeking approval to file an over-length motion or brief are disfavored but may be filed subject
26 to" several procedural requirements. LCR 7(f). Defendant has complied with the procedural
27 requirements. But Defendants' general justifications do not support deviating from the Court's
28

1 normal practice. The trial in this matter was not overly lengthy or complex and the Court is
2 confident that Defendants can focus on the relevant facts and arguments in the number of pages
3 allowed under the Local Rules.
4

5 Accordingly, having reviewed Defendants' Motion and the remainder of the record, the
6 Court hereby finds and ORDERS that Defendants' Motion to File Over-Length Motion (Dkt.
7 #100) is DENIED.

8 Dated this 6 day of November, 2018.
